## BioValley Companies Day - The trinational BioValley market place for business contacts

BioValley Deutschland e.V. offers a unique opportunity for the optimum presentation of your company.

You will have 10 minutes to present your company, products and services to a highly interested audience. Breaks will offer you a casual way of expanding your existing contacts, acquiring new interesting connections as well as helping to further develop your network.

You do not wish to present your company but you are interested in multifarious opportunities? You are warmly welcome as a member of the audience.

Display of promotion material of the presenting companies will be available on tables in the lobby.

The final program will be available on our website [www.biovalley.de](http://www.biovalley.de) from 18th march.
